Liz,

I do not have a copy. The site attorney for CES is Amy Salinas. She is out of the office this week but should have a copy of the letter. Her contact is 214.665.8063 or [salinas.amy@epa.gov](mailto:salinas.amy@epa.gov).

Hi I-Jung, we understand that EPA send out approximately 40 letters to PRP's regarding the CES site. Can you email to me a copy of one of the letters?. We are trying to determine if we have clients involved at the site. Thank you for any help you can give, Liz
